

Dear Wanderers Volunteers, Committee Members, Players, Officials and Families.

Welcome to the 2025 season!

It is wonderful to see so many returning players and volunteers supporting our club again this year, and it is looking like it will be a successful year for the Chooks!

We have incredible new merchandise this year which will be available after our Season Launch on March 1, 2025. We cannot thank our sponsors enough, and our valuable committee member, Pat Daly, for his work in this space. We have an incredible amount of support from sponsors this year.

We are always on the lookout for more support for our carnivals and our Presentation events, so if this is something that may benefit you further, please reach out. Every sponsor will receive a welcome gift pack and exclusive advertising on our social pages.

We are strong in all grades and looking to extend on our brilliant four Premierships in 2024 season - let's strive for five in 2025!

Thanks to our wonderful committee who are here to support all of you through 2025. Please feel free to contact any one of us, anytime, if you have any issues or questions.

This year we have a Support Crew for players to chat with if have any issues. The Support Crew is an integral part of young players having a safe and secure environment to go to. Thanks to all those who have volunteered in this area; Dallas Larsen and myself are thrilled to have had such interest and to be able to offer a meaningful program.

Coaching appointments are finalised and will be announced in the coming days. Most training has already commenced, and it is great to see so many players keen to kick off the season. Our annual Peter Keogh Memorial Shield is rapidly approaching and will be held on March 7-8 2025. A schedule will be posted once the draw is finalised. An integral part of this event are the volunteers required across the two days. Wanderers need as much support and help as possible to ensure a smooth running of the day. Please keep this in mind when the request for help is sent from Team Managers. Many hands really do make light work! I look forward to seeing you all there in the new gear!!

Thanks again for the ongoing support of our Sponsors, Families, Volunteers and especially our Players! I look forward to watching each and every one of you this year growing into Superstars of our game.

Thank you,

Shane Anderson
